Dear Robin,

This letter is in regards to the 10/1/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

☐ 110.5(1)h A safe outdoor play area is maintained in good condition throughout the year.

Robin needs to store disassembled glider in a location where children cannot attempt to grab it or climb on it; store bags of mulch outside of the play area; fill in hole along slope in yard to prevent tripping hazard; repair or replace jagged hole on Little Tikes pirate ship; re-assemble Little Tikes dozer toy; repair or replace blue bird on small toddler toddler toy

☐ 110.5(3) Activity Program.

☐ 110.5(3)e All play equipment and materials are in a safe condition, for both indoor and outdoor activities.

Please refer to 110.5(1) h.

☐ 110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐ 110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

Need copy of a past physical by a doctor placed in file for K.V.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations by 11/17/14.**

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur sometime on or after **11/17/14**.

Please do not hesitate to contact me at DHS at (319) 208-5521 if you have any questions regarding this letter.

Sincerely,
